Did You Know?

By Jessica Thoma

Tyanicka “Ty” Crump has taught at the Infant Center for the past 6 years. She discovered FY through an advertisement, but she knew that FY was the perfect place for her the moment she walked into the Infant Center. Ty completed her Early Childhood Development credits at ARC and plans to return to school to learn more about helping children with disabilities.

Ty offers a unique perspective as she is both a devoted employee as well as a parent - her daughter Amiyah, age 3, has attended FY since she was 6 weeks old. Ty's favorite part of the FY community is the parent interaction and believes that the parents are the key to FY's continued success. Ty believes the communication she has with the parents is both necessary for the children's development as well as an affirmation of the teamwork it takes to raise our happy children. Ty takes pride in treating our children as her own, and she feels appreciated by the parents at FY. Ty enjoys teaching the babies and toddlers socialization, a skill that starts as early as the infant room. Ty wants parents know she appreciates their smiles and gratitude for the love she shares with our children.

When Ty isn't at FY, she is with her family - daughter Alexis who is a junior in high school and starting to plan for college, daughter Amiyah, and her fiance Leo. Ty enjoys hosting and attending Partylite and Pampered Chef parties, as well as game nights with her friends. Her favorite games are Scattergories and Taboo. Ty was born in Sacramento and feels fortunate that her entire family is local.

As for vacations, every year Ty's entire family treks to South Beach, Florida, for a big family vacation. For a romantic trip for two, Ty picked Monterey, the location of her first date with Leo. Ty and Leo both love the ocean, and Monterey holds a special place in their hearts. Ty's favorite local restaurant is Table 260 for the soul food. Her choice for ice cream is Rocky Road. Ty's birthday is November 24th which makes her a Sagittarius. Thanks Ty!
